(meetings, annual
processes)

HOW

Processes &
documentation
(reporting, Aalto
handbook, aalto.fi, code
of conduct)

Long term evaluation
programme
(RAI, TEE, S(A)AB, AUDIT)

Personal development
and career advancement
(Career systems, MyDialogues)

Living strategy

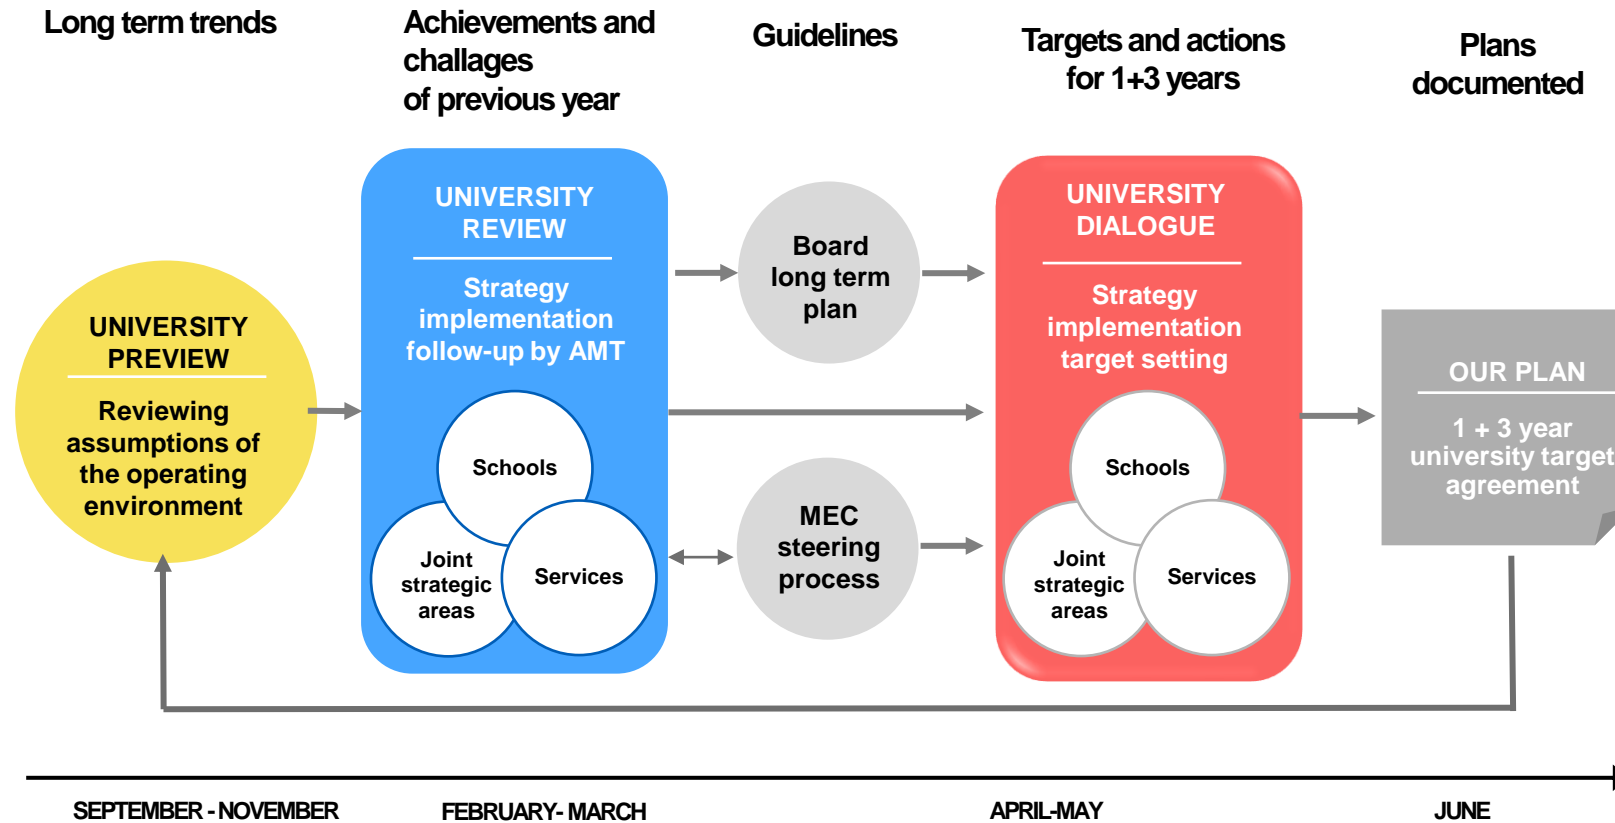

- Our purpose, values, and way of working define our long-term direction
- We choose development areas and actions that best drive us towards our purpose
- As a community, we proactively and continuously re-evaluate our choices

A!

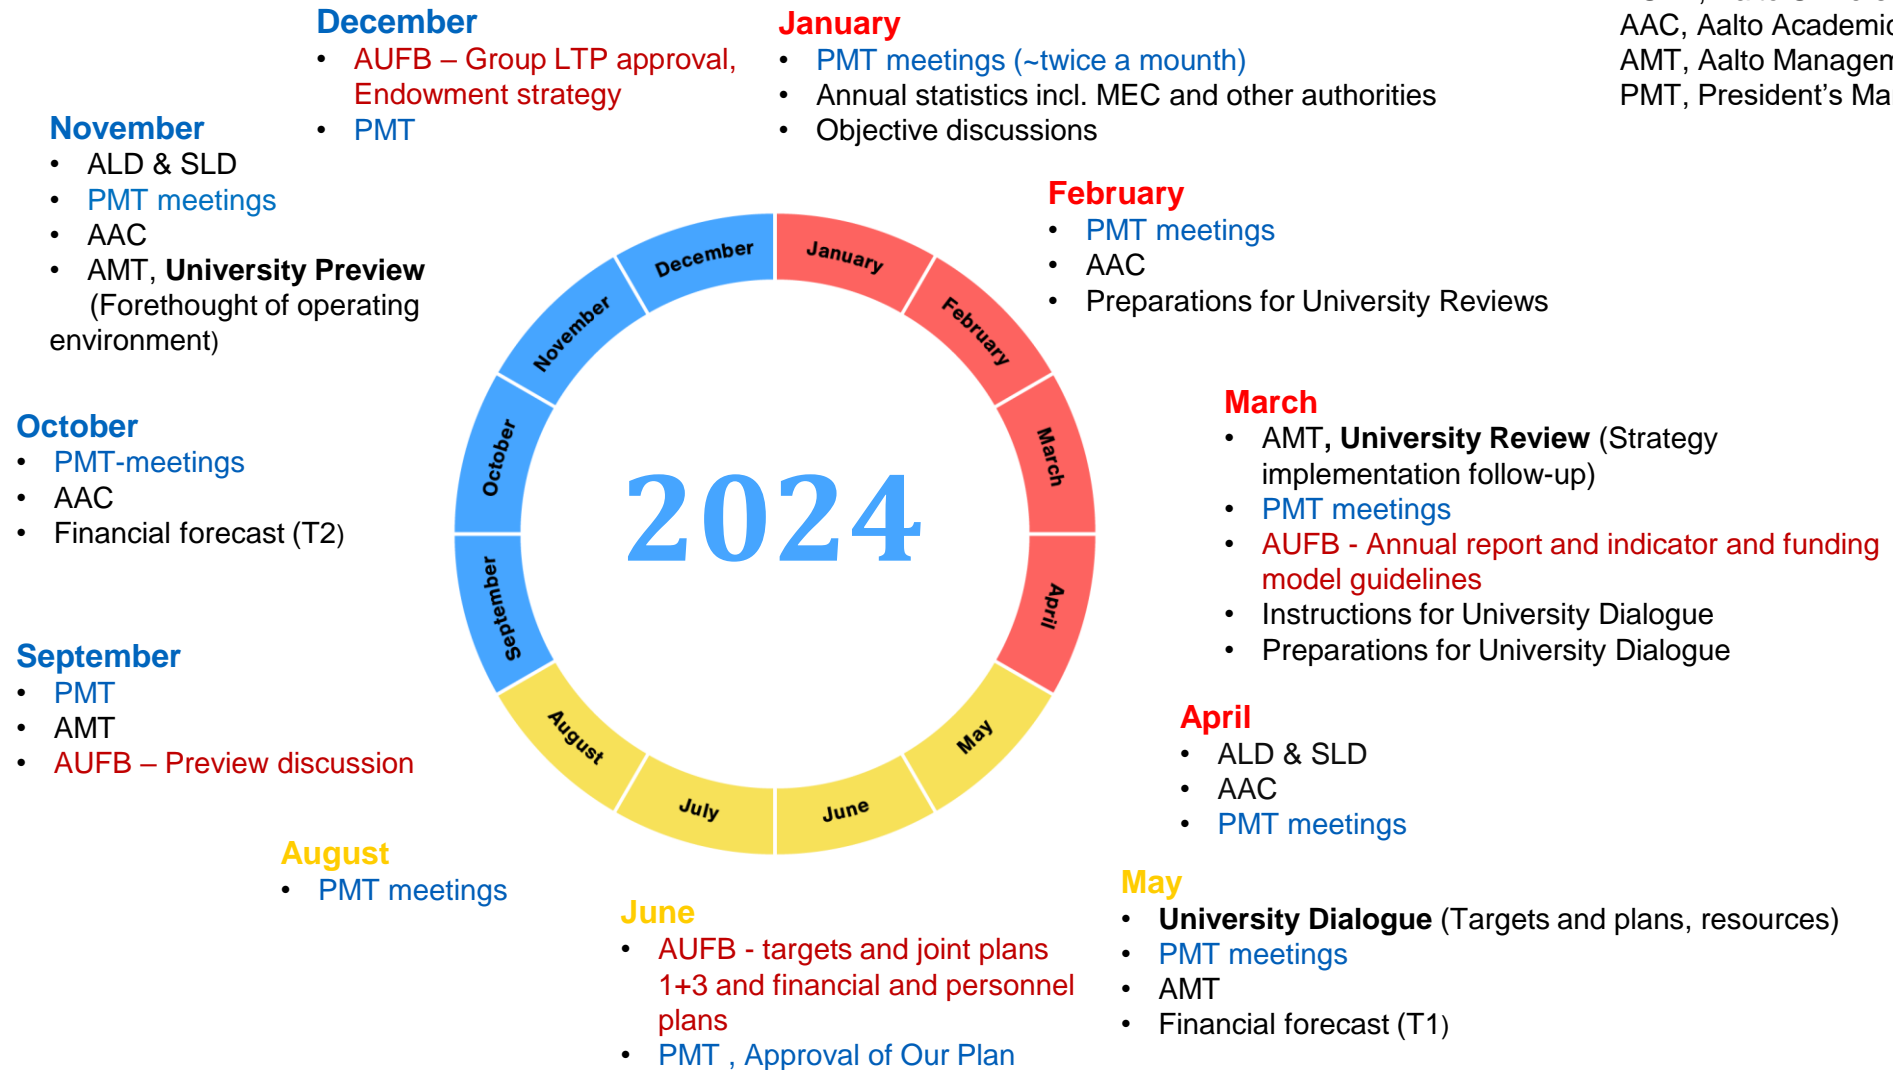

We have adopted a living strategy approach tailored for a world in motion

Annual quality processes

Annual Clock 2024 - Aalto Management Actions

AUFB, Aalto University Foundation Board

Aalto Handbook

Aalto Handbook, is a description of this shared way of organising the university's core activities in a uniform way that meets high standards of excellence.

The goal of the Handbook is to provide the reader with an overview of the operations of our university.

Aalto Handbook encourages all members of the Aalto University community to comment on the operating principles of the university and to give feedback and, thus, to contribute to the development of the university's operations.
